About YQMP and our Fantastic Partners

Fairy Tales and EMMEDIA are joining forces once again to produce the 2017 Youth Queer Media Program (YQMP). The University of Calgary Student's Union Committee of 10,000 have also joined as a 2017 sponsor!

YQMP History

The YQMP began in 2011 as the Youth Anti-Homophobia PSA Program, inspired in part by the internationally acclaimed, It Gets Better Project, launched in response to the epidemic of Queer youth suicides in North America. Dan Savage, founder of It Gets Better, attended the 2011 Fairy Tales Queer Film Festival in honor of PSA Program youth.
